

CITATION LONGITUDE

THE NEW STANDARD

CITATION LONGITUDE

The Cessna® Citation Longitude® aircraft is the new standard in the super-midsize segment. No other business jet in this class gives you more range, greater payload or higher cruise speed at a lower total ownership cost.

- Engineered to give you the quietest, most comfortable cabin in its category.
- The spacious cabin and double-club seating afford more legroom than competitors.
- Fully berthable seats, designed especially for this new large-cabin line, have panning and leveling ability to help you relax.
- The forward wet galley enhances cabin service with plenty of room for food preparation.
- The large walk-in baggage compartment is accessible throughout the entire flight without any restrictions.
- Arrive more refreshed with the lowest cabin altitude in the class.
